

QUALITY POLICY STATEMENT

Hiconnex regards its commitment to quality as fundamental to its business operations. It is therefore Hiconnex's policy to render a quality service and supply quality products, which satisfy the needs and requirements of its customers, including any statutory or regulatory requirements.

For this purpose a formal quality management system based on the ISO 9001 Quality Management standard, is implemented and maintained. The effectiveness of the system and its objectives will be reviewed regularly to effect the continual improvement of Hiconnex's quality performance.

The commitment and co-operation of all employees is essential in implementing and maintaining the quality system. Hiconnex will devote the necessary training and resources to ensure that this policy is understood and adhere to at all levels.
