Dear Mr. Sangleboeuf:

We have received your email dated December 2, 2004, along with your findings from Souriau's audit of the HICONNEX facility in Midrand, South Africa. The above referenced audit, which was assigned identification number PS2004-198, took place on November 29 through December 3, 2004. Your findings were reviewed and found to be acceptable. Therefore, the HICONNEX facility will be added as a distributor location under Souriau's Qualified Products List (QPL)-38999 listing during the next revision of the QPL as follows:

Manufacturer	Distributor Location
Souriau (CAGE Code: F0225) Location: 9, rue de la Porte de Buc., 78000 Versailles, France	HICONNEX (PTY) LTD, Symbol: <b>HCX</b> , Mount Royal Unit B3, James Crescent 657, Halfway House, Midrand, South Africa

It is Souriau's responsibility to ensure that all connector assemblies produced at the distributor's plant meets the applicable military requirements along with assuring that the assembly process conforms with that established at the qualified Souriau manufacturing plant. The Defense Supply Center, Columbus (DSCC) reserves the right to conduct audits of any and all Category-C Distributors.

If you have any questions, please contact Mr. Richard Marbais at 614-692-0620 or send an email message to Richard.Marbais@dla.mil.

Sincerely,

/Signed/
